

Wrap-up for 2025 After School Program Fall Semester

Another great semester comes to an end as we approach the Holidays. It is always incredible watching these young men develop skills and confidence as we work the farm and tend to the animals. This semester we spent a lot of time working with our Longtusi calves getting them halter broke and used to being handled. In addition, the boys helped take care of the rest of the farm by gathering eggs, feeding the pigs, hauling water, mending fence and much more!!!

Spring 2026 Semester will begin March 23rd!!!!

Honey Harvest

We were blessed to harvest 4.5 gallons of honey from our hives this year. The boys enjoyed spinning the extractor and preparing for sell.

Sharing the Mission

April and I have had the opportunity to share our heart for kids with several churches and various community groups this past year. We would love to set up a time to share our mission with your church, organization or business. Please reach out to us @info@risingsonsboysranch to schedule a presentation.

Build The House Campaign Update

Phase 1- Complete

Phase 2- \$106,000.00 Raised

\$79,000.00 Remaining

Thanks to generous donors we are moving closer and closer to the completion of Phase 2 of our Build the House Campaign Project. This phase will add the building frame and metal sheeting, allowing us to move forward in completing the home.

Stand Sunday Celebration at Rising Sons Boys Ranch

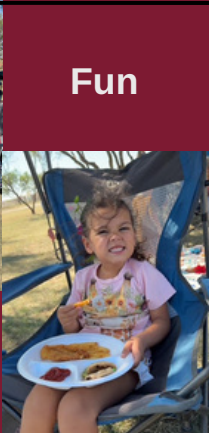

Friends

Family

Fun

Food

This year's Stand Sunday Celebration at the Ranch turned out to be a fun-filled time with our incredible community and village of support. From sharing our heart to sharing fun and food, our Rising Sons Family came together to reaffirm their commitment to seeing every child in foster care united with their forever family. We want to extend a huge thanks to the Redneck Culinary Academy for cooking and providing the best fish and fixins you could ask for! Also big thanks to Aaron King and Chicken Express for providing the tea for our event!!!!

INTERESTED IN FOSTERING/ADOPTION?

Our area is in need of 20 new families willing to open their home to children in need. If you have considered fostering, respite care or would like more information please contact us at info@risingsonsboysranch.com. Let us walk you through the process and connect you with one of our area's great agencies and assist you through the certification process.

RISING SONS WATER PROJECT | \$10,000.00

Did you know that currently every drop of water used at Rising Sons Boys Ranch is hauled to the property? Currently no city or county water is available at the property and drilling for water is not an option. We haul all our water in a 1,000 gallon tank to supply our groundskeeper's house as well as water for our animals and garden. However, we have good news to report as water is on it's way toward us through the Wichita County Water Project. Currently the project is planned to stop a half mile from our location, but we are working with Commissioner Jeff Watts and the budget committee to extend the project to our location. We are currently planning and preparing our site to extend the water line from the main highway to our location. We are estimating the project to cost \$10,000.00. We have raised \$7,000.00 in pledges and donations along with a commitment for the water line and equipment needed to lay the line.

BECOME A PARTNER

Join us in our mission to connect kids in care with their forever family! Consider becoming a monthly supporter of Rising Sons Boys Ranch. Visit our website at www.risingsonsboysranch.com or simply scan the QR code and begin your journey with us!!!!

Hope and Difference Campaign

1. Set a daily alarm for 1:27 PM and pray a 27 second prayer for the vulnerable of society.
2. Make a pledge of \$27.00 a month to support Rising Sons Boys Ranch and our mission for kids.

You Can Offer Hope & Make a Difference

JAMES
1:27

Pure and genuine religion in the sight of God the Father means caring for orphans and widows in their distress and refusing to let the world corrupt you.

Your \$27 of monthly partnership offers hope and makes a difference!

Thank you for scanning and committing your support!
